Mural should be okay by either the cleanser or the pressure wash. Let's just get it clean. It has graffiti coating on it.

The Wall behind 5710-called in again yesterday. Our goal is every other day until it is done. We will be out there tomorrow

The Utility box. This box has a mural and if we apply the strong cleansers we have or if we pressure wash the mural will be damaged. What do you want us to do?

Does Condado know there is a mural on the box? There are services that do preservation and repair damaged art.
